No formal meeting as no quorum.

### **PUBLIC FORUM**

**Present** Cllr Barnes  
Cllr Benjamin  
Cllr Kelly  
County Councillor Brookes  
2 members of the public and 4 representatives from Triton Knoll.

Triton Knoll representatives presented details of what had been discussed at the Liaison Committee meeting. Coun Benjamin and clerk felt that it was to advise Parishes decisions made and committee representatives were basically carriers of news and decisions.

Mrs Webster reports of flooding at Post Office bridge, the two pipes don't meet. Clerk to report to Highways.

Articulated lorries repeatedly turning into village looking for Turners. Clerk to write to Turners.

Mr Boughen reported contractor cutting verges at 6.30 a.m. Clerk to speak with him.

Having attended the presentation by Viking Link, it was confirmed that the AC line from the converter in Donington will come into Bicker. Planning application should be made to North Kesteven, South Holland and Boston Borough. If this is the case, could the Parish Council please comment that:

The construction traffic must be compelled to use the construction road from the A52 to converter station.
